

Trade Show Solutions

Every trade show, big and small, is critical to a company's success. ISCS's **Trade Show Solutions** ensures that your trade show materials arrive on time and in pristine condition.

Our trade show specialists work with the trade show handlers to provide the following :

- Coordinate the check in times and complete all applicable documentation for stress free set up
- Merge-in-transit service to handle multiple pieces from various origins ensuring a single and complete delivery
- We use preferred/endorsed trade show carriers for smooth delivery and exit
- Inside delivery and light assemble service available upon request

Trade shows are typically very expensive, one shot opportunities for your company to demonstrate your goods and services to a captive audience and the trade show professional at Impact SCS understand the importance of coordinating a successful show. Schedule your trade shows through ISCS and move on to other core competency functions with the piece of mind that your show will be a huge success!
